# ABOUT US

# MEET THE

# DAC POWER

At DAC Power, we believe in the transformative potential of renewable energy. We are committed to offering sustainable, efficient, and reliable solar power solutions that drive energy independence while reducing carbon footprints. By collaborating with SELEC On-grid Inverters, we bring you state-of-the-art inverters designed for maximum performance and long-lasting reliability.

## Our Mission

At DAC Power, our mission is simple: to provide high-quality, sustainable, and efficient solar energy solutions that help our customers reduce their energy costs while promoting a greener planet.

## Our Vision

Empowering communities with accessible, affordable, and clean energy solutions. Driving innovation in solar technology to enhance efficiency, reliability, and sustainability. Creating a greener future by reducing reliance on conventional energy sources and minimizing environmental impact.

Sustainable, Reliable &  
Efficient Solar Solutions

Expertise in Transmission  
and Distribution

We Provide Customized  
Solutions

Highly Experience Team  
of Professionals

## Truly Indian

- ✓ Technology
- ✓ Manufacturing
- ✓ Class 1 Supplier

# OUR SOLAR INVERTER PRODUCTS

## 1.5kW, 2.5kW, 3.3kW

- ✓ Wider MPPT Range
- ✓ Anti-Islanding protection
- ✓ Low start-up voltage
- ✓ Natural cooling convection
- ✓ In-built Zero Export Device

## 4.2kW, 5.2kW, 6kW

- ✓ Wider MPPT Range
- ✓ Anti-Islanding protection
- ✓ Low start-up voltage
- ✓ Natural cooling convection
- ✓ In-built Zero Export Device

**IP65  
Protection**

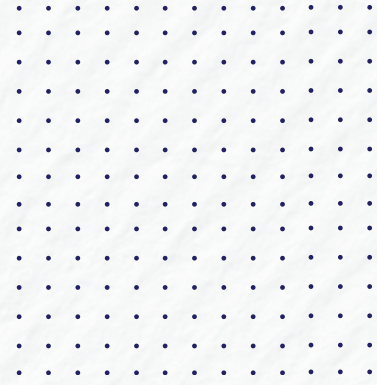

**In-house Remote  
monitoring App**

**96.43%  
Efficiency**
